**TRIP MAP:**

## **TRIP ITINERARY:**

### *Day 1: May 18th: Hunza/Gilgit arrival day*

Book your flight to Gilgit and arrive any time. We will arrange transport for someone to come and pick you up at the airport and take you to the start hotel of the trip.

### *Day 2: May 19th: Hunza*

We will hike up to Baltit Fort and Altit Fort. We also have the option to drive to some scenic places around Passu and even to Attabad Lake for those who are up for it.

We

*Day 3: May 20th: Hunza to Skardu (300km/7hrs)*

We will start early on our drive to Skardu, stopping at the scenic Lower Kachora lake known as Shangri-La. We will also stop by the upper Kachura Lake and spend the night around there.

*Day 4: May 21st: Skardu to Fairy Meadows (185km/5hrs)*

Today we will have to start early driving to the starting point for the road up to Fairy Meadows. Here we will rent a 4x4 jeep to take us up to what probably will be the scariest road of your life. We will finish with a 2,5hr hike or horse ride to where we will spend the night.

*Day 5: May 22nd: Fairy Meadows to Naran (160km/7hrs)*

We will wake up early to do the same trek/horse back and jeep ride down to the start of the Fairy Meadows Road before driving down to Naran where we will spend the night.

*Day 6: May 23rd: Naran to Islamabad (250km/6hrs)*

Today will hopefully be our last drive of the week. Because of possible road blocks and road conditions we have added an extra buffer day to the itinerary. If we end up getting down today already, then happy times! Then we will get to explore Islamabad's highlights together before everyone parts ways.

*Day 7: May 24th: Islamabad full day*

Islamabad is a big city with a lot to offer. If time permits we will drive up to Margalla Hills and visit the National Museum as well as Faisal Mosque, which is the biggest mosque in Pakistan, as well as one of the biggest mosques in the World.

*Day 8: May 25th: Islamabad departure day*

Today there are no activities planned, and you can safely book your flights out to your home or next destination.

For those who want to keep traveling, you are more than welcome to join the next week traveling to Afghanistan. You will find more information on the website [www.vagaclub.com](http://www.vagaclub.com)
